25 YEARS OF CAVALIER'S MEMORIES

SANTIAGO twenty-five years of CAVALIERS to remember. Attitudes of the SANTIAGO students are much like they were in 1962 for kids are kids as people are people. Some present happiness and self-confidence and success and others are spirited and creative. Always there are the plodding and thoughtless and the cynical with insecurities, boredom and failure. "I like SANTIAGO very much, but I wouldn't say it openly because somebody might think I'm DIFFERENT. As an adolescent, you're not suppose to like ANYTHING to be "cool".

SLANG expressions haven't changed much other than what some popular TV show or album uses. Different meanings have developed for "BAD" and "BITCHIN". The same old dirty words are spoken in passing, and a degree of control is displayed in general public. Not everyone has ever HAD to be filthy mouthed.

BEHAVIOR is the same depending on the degree of parental support and family togetherness to the nearly abandoned person who has trouble identifying.

CAVALIER society had the Surfers and Gremmies and Sochies and ethnic groups and cliques, pop music reactors and sports folks ... and there were scholars, but they usually could combine their talents and be a part of any of the groups.

CHANGE has been due largely to technical changes. Once the faculty debates whether tape-recorders would be allowed in the classroom, and whether calculators should be allowed in school. TV watching interfered with homework, and now the TV is a part of the classroom. Cars, mopeds, bicycles, skateboards, tape-players and headphones, pens and pencils, typewriters, computers, notebooks have had their moment. ... and the dress-up for FANCY for the Prom and Co-ed and how these styles have made their change, especially for the guys.

FADS and FASHIONS are dictated by someone "out there" who has strange ideas and influences everybody. But somehow, the "way out' fads are ultimately quite uncomfortable and wear away to the practical jeans. Hair has been an attractive nuisance and can be an "attention getter" with bouffant puffs, teased to extreme and sprayed to a wire-like consistency. Long hair, fuzzy moustaches and side-burns were good attention getters, but then the insistence on clothing regulation was reduced and many simply adopted comfortable clothes. The mini-skirt brought the panty-hose and style, but the costume was cold in the early morning, and the four metal buttons on the student desk seats were uncomfortable to sit on, and cold. Girls would press their thumbs against the buttons of the chairs to warm the buttons before sitting down. Fads and fashions are CALIFORNIA related. It's that we're "kick-back" people. To the rest of the nation we're not understandable.

The pendulum of CHANGE at 25 is still swinging in CAVALIER COUNTRY, but there has been one constant - a mutual respect and friendliness of proud CAVALIERS.

C.J. Westra, the Guy in 301 ...

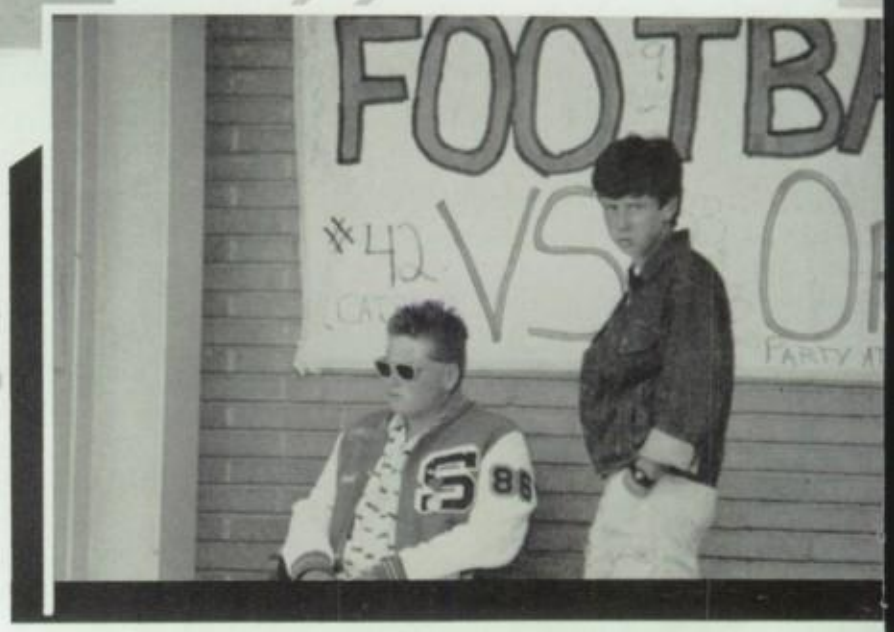
Homecoming week was filled with exciting activities. Each of the five days had its own characteristics. The first day was "Sunglasses Day" where everybody try to look "cool". The second day was the day the Cavs went back in time. Everybody tried their best to dress up like the Fifties. The third day was "Sports Day", with outfits reflecting teams in sports. "Nerd Day" was the fourth day and we were flooded with rumpled, pen-carrying nerds. Homecoming activities concluded with seniors wearing togas. These "modern" Romans were the best ever.



Staring is a favorite lunch activity.

Go ahead, make my day!

SADIE HAWKINS

1. Mary'n Sam, better known as Mr. W[illegible], assists Dana Mollar and Dana Ripley in getting hitched.

2. Alex Cleven, Tracy Schumacher, Tami Lewis, and Steve Rivens "kick back" after a good square dance.

3. Ms. McIntosh as the future cover girl of "Hill Billy's Magazine".

4. Alicia Braga and Anthony Candeles as "Daisy Mae and 'Lil Abner".

For those of us who missed out on the Sadie Hawkins's dance, here's an update of what happened. Along with many other exciting moments that night, one of the best remembered events was the "crowning" of "Daisy Mae and 'Lil Abner". This year's winners were Alicia Braga and Anthony Candeles. They were judged as the best couple by a committee of three teachers and one student because of their originality and spirit. Alicia was given radishes and a carrot bouquet and Anthony, a radish boutinere. To qualify both partners must attend Santiago High School.

QUEEN of the COURTS

"QUEEN OF COURTS" - Shawna Thurn.

Shawna is crowned by last year's queen, China Greeney.

Shawna and 2nd runner-up, Shannon Chavez.

On Dec. 11, 1985, Shawna Thurn was crowned "Queen of Courts". Shawna was crowned at half time of the Varsity basketball game against Anaheim. The runners-up were Blanca Medellin and Shannon Chavez.

Shawna Thurn, Queen of the Courts, was asked to express her feelings on her recent victory. "1985 has been a very exciting and fulfilling year for me. The crowning of the Queen of the Courts was a cherished moment I will always remember. This success could not have been possible without the support of my fellow classmates, friends, teachers, and especially my loving family. I owe my happiness to those people who helped made it all possible."

-GRAND OPENING-

Everado Aranda and Masako Sumita cut the ribbon at the official reopening of the library.

Ms. Aspen and Mrs. Cognito look forward to using the reopened library.

The library, once a dark, smokey ruin in September, now stands tall and proud once again. In a special opening day ceremony on November 27, 1985, Mrs. Onishi, Mrs. Fogelstrom, and many others were given a special thanks for their time and patience in the repair of the library. With their help and the combined support of the student body, faculty, and clubs, we now have a better library in spite of the fire last summer. Like the phoenix, the library has risen from it's ashes.

Mr. Preall congratulates Mrs. Werner on how nice the new library looks.

Mrs. Fogelstrom and Mrs. Onishi relax and enjoy their new surroundings.

Mrs. Brijil, who participated in the ceremony to establish a library fund in memory of the children who died in a tragic car accident is surrounded by caring friends.

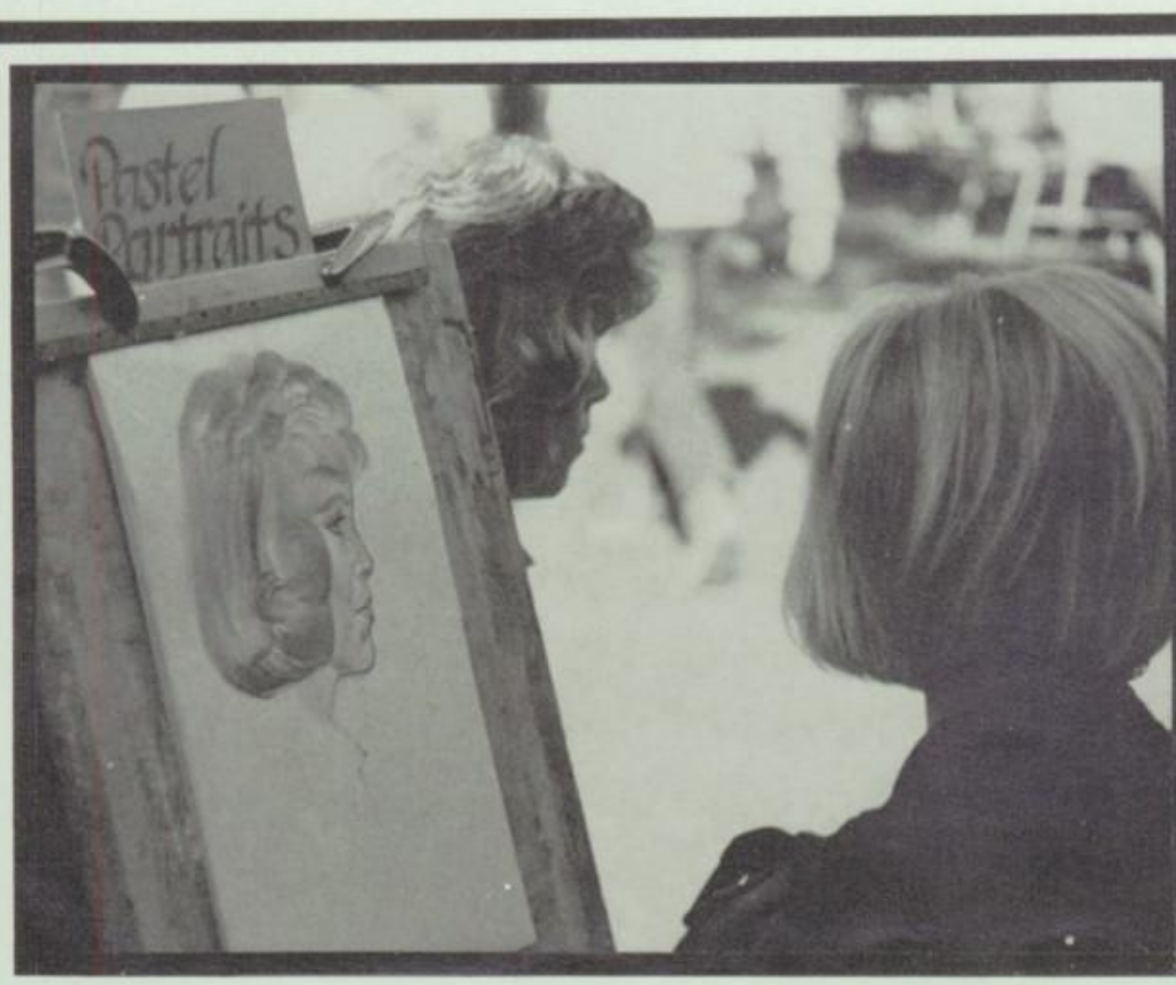
WINTERMAS FAIRE

The Wintermas Faire, based on the Renaissance period, has become an annual tradition. Clubs and organizations came together to sell traditional foods and gifts based on each groups national heritage.

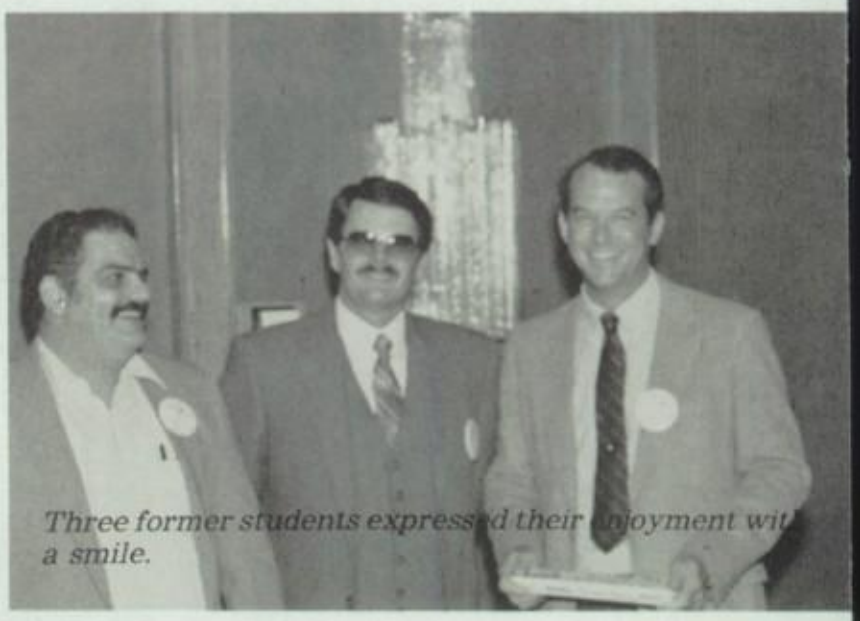
This faire was held December 19, 1986. It proved to be an excellent fundraiser while providing and exciting and enjoyable day for both teachers and students.



th ANNIVERSARY DANCE

A mold of ice shaped into the number "twenty-five" added sparkle to the evening.

Mr. Westra interviewed a student, Adrian Mo[illegible]a.



Three former students expressed their enjoyment with a smile.

Teachers enjoyed dinner [illegible] for the delicious buffet dinner.

In commemoration of Santiago's 25th Anniversary, a dinner dance was held at the Anaheim Sheraton Hotel. One of the highlight of the evening was a video show, put together by Mrs. Clare Ross, highlighting students who had attended Santiago High School throughout the years. Mr. Westra was our "Master of Ceremony" for the event. Present and former students, parents, teachers, and staff, were there to celebrate this special occasion.

Welcome to our 25th Anniversary Dance.

NATIONAL HO

President-Hai Phan

Hai Phan - During all my years at Santiago, I cannot recall a more memorable moment than when I received a letter indicating my acceptance into the C.A.S.T. program. It lead to a wonderful summer in the research laboratory of Dr. K.M. Baldwin at the U.C.I. Medical School. This experience has taken me one step closer to my goal of becoming a doctor someday. Thanks, Mr. G.O. and Ms. J.L. for all the support and help.

Ji Kim - I've had a rewarding four years at Santiago. Most of my accomplishments were because of God, my family, and my dear friends. I have been involved in C.S.F., N.H.S., Science Club, Girlsleague, varsity tennis, S.I. Council, G.A.T.E. Program, The Decathlon Team, Cheerleading, drill team, Art Club, French Club, Letter Girls, Korean Club, and Publications. My most memorable experience at Santiago was when I was Crowned Spirit Queen. I plan to attend a university and study psychology.

Roger Vuong - I have really enjoyed all the activities that I have participated at Santiago. They were a very big part of my many experiences at Santiago. I plan to go to a University of California and major in computer science.

Tri Phan - I am planning to attend either U.C.L.A. or Cal Poly Pomona and my career goal is electrical/computer engineering. The activities that I've joined are N.H.S., C.S.F., S.I. Council, Science Club, Vietnamese Club, varsity tennis. Thank you to all the teachers and my special friends who had helped me to be what I always wanted which is being an educated human being.

Tuyet Tran - My four years at Santiago have been enjoyable because of my close friends, my teachers like Mrs. P.M., Mr. G.O., and Mr. B.A., and because of my extra curricular activities. I have been a member of or have participated in: C.S.F., Science Club, Girls' League, varsity tennis and the Vietnamese Club. My future plans are to attend U.C.R. and major in Business Administration.

Shannon Gingras - In order to be chosen for NHS last year, I was involved with French Club, Girl's League, C.S.F., A.S.B., along with doing football and basketball statistics. I intend to go to California State University, Fullerton upon graduation of high school. I would like to major in Business Management, which will then carry me into my career.

Gilbert Vasquez - My most memorable moment was being on the Cross Country team when we were league champs for two years, and I finished fifth place all county in the Orange County Championship.

Cassandra Larson - SHS has formed a foundation for me which I hope to build upon in college next Fall. I have chosen to attend Mount St. Mary's College in LA to pursue a Nursing major in the field of pediatric medicine. My years at Santiago High were years I shall always remember — the spirited cheering from the sidelines at the football games, pouring spirit and enthusiasm into the "Pep" assemblies and class competitions, preparations for homecoming week activities, and the part I played to make the Co-Ed special. I will always cherish the friendships made at SHS and look forward to a new facet of life in the years ahead . . . only the sky is the limit!

Vickie Hornbaker - I am the captain of the Varsity Field Hockey team, a member of C.S.F., and drama club. TWENTY-FIVE YEARS...

JANE WERNER

Each year has been a memorable year for me at Santiago. This year has been the most memorable because it was my twenty-fifth anniversary of teaching and I am teaching in the same department that I started in. My winning field hockey team is personally very rewarding for me. It is a pleasure to watch young people grow and achieve.

So many happy memories are etched in my mind about Santiago. It is hard to pick one or two as most memorable. I think of the Girls' League State Convention, the CIF basketball and football games with laughter and the tears, our girls' basketball and field hockey championships, the fantastic drama productions in the seventies, the unbelievable competition in our homeroom homecoming contest, and the International Weeks. Through all these, I still see kids' faces even though the names are no longer always there for me in my memory. That to me is what I will always treasure about Santiago — the friendships that I have made with so many people. When I get Christmas cards from students I knew years ago or someone from the class of 1963 brings his family in to see me or a couple from San Francisco always include a stop here when they come to visit in the Southland, then I know it has been worthwhile. I am very proud to have been a part of all the good, and yes, the bad times in the years of Santiago. Names and colors of students may change, But underneath to me all of you will always be just "our kids."

BEVERLY RICHARDS

Much has changed at Santiago in the past twenty-five years. I remember when Santiago was just becoming a reality, how excited and enthusiastic everyone was. Student leaders and teachers had met during the summer, and we were ready to roll in September; but Santiago was not ready for us. We had to go to Bolsa on double session until our buildings were completed. Especially vivid of the time at Bolsa are the memories of the earthquake and its aftershocks which kept us out of the classrooms for a long time, dreading the next shock and fearing it might be worse than the last. Many of the girls were crying; and the boys, looking scared, were no longer laughing at them. Concerned about their loved ones at home, many students wanted to leave; but, of course, we couldn't let them.

Since that earth-shaking beginning, we have survived many upheavals: drastic changes in curriculums every four or five years, the deaths of beloved teachers and administration like Don Wash and Don Faulkner, the untimely deaths of young students and a young President. What has not changed, for me, is the privilege of working with eager young students and with the many fine, devoted teachers who have become my friends.

Varsity Football Turns Tide-Makes Top 10!

The 1985 Varsity Football Team will be remembered as the team that turned the tide. The Cavaliers suffered some close defeats in league but still accomplished an impressive 7-3 record and a top ten ranking throughout the year. Players such as Joe Marquez, Rick Burns, John Pope and Tim Reynolds were among those who dedicated themselves to achieve success. It was a pleasure coaching these young men. Their hard work is only surpassed by their commitment to succeed.

Junior Varsity League Record 6-3-1

The Junior Varsity football team had a short vacation last season for there weren't enough members. However, with increased participation, a new and improved team was created. Coach Vivanco had a great thing going for this team; hard work and dedication resulted in a season record of 6-4.

Recruiting players for this year's freshmen football team wasn't necessary. With a total of 54 players, Coach Heiman kept the restless freshmen active through rigerous training and building skills. Overall, the overcrowded frosh squad had a most victorious season with a league record of 6-3-1.

GIRL'S VOLLEYBALL

Santiago's Volleyball teams didn't exactly have a successful season but what they did have was a lot of enthusiasm and potential. Captain Diane Brady and two other seniors were the only returning players on the Varsity team, while the rest of the members were freshmen and sophomores. According to Varsity coach Vickie McIntosh, she feels that there will be a title waiting for the Lady Cavs just a little ways down the road.

The J.V. team had a slow start but what they gained was skills and experience under new coach Saundra Mieve. What Varsity and J.V. didn't receive, the Freshmen grabbed. Compared with past teams, the '85 team won the most games. Encouraged by Coach Robert Crabb, the girls were motivated to do what they do best-Win!

An unbelievable season was what Santiago's Field Hockey Team stirred up. The Lady Cavs were tied with La Quinta for the first position in league but a simple coin toss determined the rightful owner of the title, Santiago!. During the Tournament of Champion, the Cavs reached the semi-finals, facing Colton High School. Unfortunately, Teresa Wright, Santiago's most valuable player, suffered from an ankle injury during the previous game. In the end, the score was 0-0, 1-2 stroked, favoring Colton. Coach Kit Snider was very proud of all the team members because Colton went on to take the championship and so it took a champion team to defeat Santiago. In conclusion, the season record resulted with 17 wins, 6 losses and 2 ties. With three seniors graduation from the team, Coach Snider stated, "I believe that we have individuals who can fill those positions if they are willing to dedicate themselves to become outstanding players."

This year's varsity basketball team has seemed to be taller than last year. Coach Ed Coyle has expressed that the addition of height really works wonders for the team. Besides height, team togetherness and the same thinking track, to do the best that they could do, have aided the team into achieving their goals.

The girl's basketball team hasn't quite received what they won't, but has gained much more. They have gained the experiences, team togetherness, and the will to try again. With Bob Walton as coach, the team definitely will improve next season to make up for this year. Their league record have been 3-7 and overall have been 6-14.

In the history of soccer, no other team has ever had a more successful year than the one of 1986! Coach Miguel Vivanco feels "respect" has been the main ingredients in creating the team he's working with, "I don't think soccer is a popular sport at all, but with a team like this, you don't gain popularity, you gain respect. If you get a good taste, it's hard to take it away. Winning won't stand as long as respect." Outstanding players consisting of numerous nationalities may not understand each other in language but they all comprehend one thing, soccer. With an overall season record of 15-4, this team has totally dominated all the others of 25 years in Santiago's existence. With the league title in their palms, the Cavs have made their first entrance to CIF. Unfortunately, CIF hasn't quite flown smoothly, but Vivanco received his wish, "To reach CIF".

The grunts and the growls of everyday pain enduring in wrestling have finally paid off for Santiago's wrestling team. At the start of the season, the team had quite a positive attitude for what's ahead. Old and new wrestlers have come and gone for a year of competition. Overall the squad have had a score of 5-5-1 and a league record of 1-3-1. The entire team haven't reached CIF, but a few individuals have. Santos Escanuela, last year's and this year's star wrestler, has taken second place in CIF. Derek Moreno has placed fourth and Steve Rivas has placed sixth. Victor Lozano, a graduate of Santiago, is this year's head coach feels and says, "Dedication's one of the main aspects to winning and if a wrestler's dedicated, it shows".

Frankie,

Hey baby! You are... uh... well... different! Certainly never boring, sometimes irritating, but since none of us can change that, we live w/it, and even appreciate you for it

Actually, I love it when you're around. It's not often that you are at a loss for words. Can you believe it!? Your mouth can't think of any words! Well, remember the; it better be with good thoughts too. You flake! No mean talk behind my back or I'll come to you and torture you in your dreams! Ha Ha Ha - (evil laugh) Ha Ha ha.

I truly wish you the best luck in your future.

Anyway... God bless you Frank. See you around Homecoming time!

Love,
Jo Lynn Jones

Its been great knowin' ya and having you in first all year. Well have to do it again next year. I'll see you over the summer at practice when you see me again, hopefully I'll have a great tan. Have fun in Saudi Arabia. Don't get drunk. When you get married and live in a hut, send me a picture of you and your wife. Later, Brent

Oh Frankie, Frankie, Frankie, who would have ever thought that we would have gotten so close? Not boyfriend/girlfriend wise, but friend wise. I don't think there's anybody in this world that knows me like you do. Geez, you've listened to all my problems (Wayne ~~Kg~~ Chris who's ~~Kg~~) and you've put up with my bad moods. No body's done that before ☺. Oh gosh, and you've even put up with my "smart ass" remarks. You deserve a medal for all of that. I really only got to know you last summer. I knew you before that, but not very well. Oh gosh, then came the Hellow Dance ☺. Remember that? Me, you, Gail, & Mike sat in front of your house talking for what seemed like hours. I guess that's when it all started. Then, OH-NO!, the Homecoming Dance ☹. That's one I won't forget. Anyways, you have fun when you go on tour. Tell New York that I said, "Hi!" Don't forget to send me a post card.

Hey Baby,

Another year has just gone by.
We've had good times & often cried.
Together we've traveled the path of tears,
But at least we've made it all through these years.
